

**Subject:** Request for Support – INCPAS Membership

[Manager's Name] –

I wanted to ask for your support in my joining the Indiana CPA Society (INCPAS). It's a great professional group for accounting and finance professionals in Indiana, and I see it as a solid investment in my growth.

Here's how both I and our organization would benefit:

- **Stronger Compliance & Best Practices:** They provide ongoing guidance on internal controls, reporting and technology to help us stay ahead of changes (and avoid any penalties!).
- **Time & Cost Savings:** Membership includes discounted (or even free) continuing education courses – about 60% off non-member pricing. Plus, they offer plenty of virtual options to save on time and travel costs.
- **Leadership & Skills Development:** INCPAS offers leadership and soft skills training designed specifically for people like me to successfully communicate and thrive in a corporate finance role.
- **Peer Network & Online Community:** Being a part of this group helps me stay connected with fellow accounting and finance professionals to exchange issues, ideas, best practices and more.

The annual fee is pretty minimal, and they offer payment plans or invoicing options. I'd love to move forward with this and appreciate your consideration.

Thanks for your support!

Best,  
[Your Name]
